25X1A

- b. [REDACTED], Medical Evaluation Request and Report, to be returned to Medical Staff with the following comments:

In view of the fact that this is to be permanent regulatory material, it should not be issued as a Notice. It is believed further that this Regulation might be combined with [REDACTED] Physical Examinations and Immunization, [REDACTED], Medical Evaluations - Fitness-For-Duty Examinations, and possibly with [REDACTED] Medical Standards.

25X1A

25X1A

25X1A

It is also suggested that consideration be given to including a procedure for requesting medical evaluations for use in connection with assignments [REDACTED]

25X1A

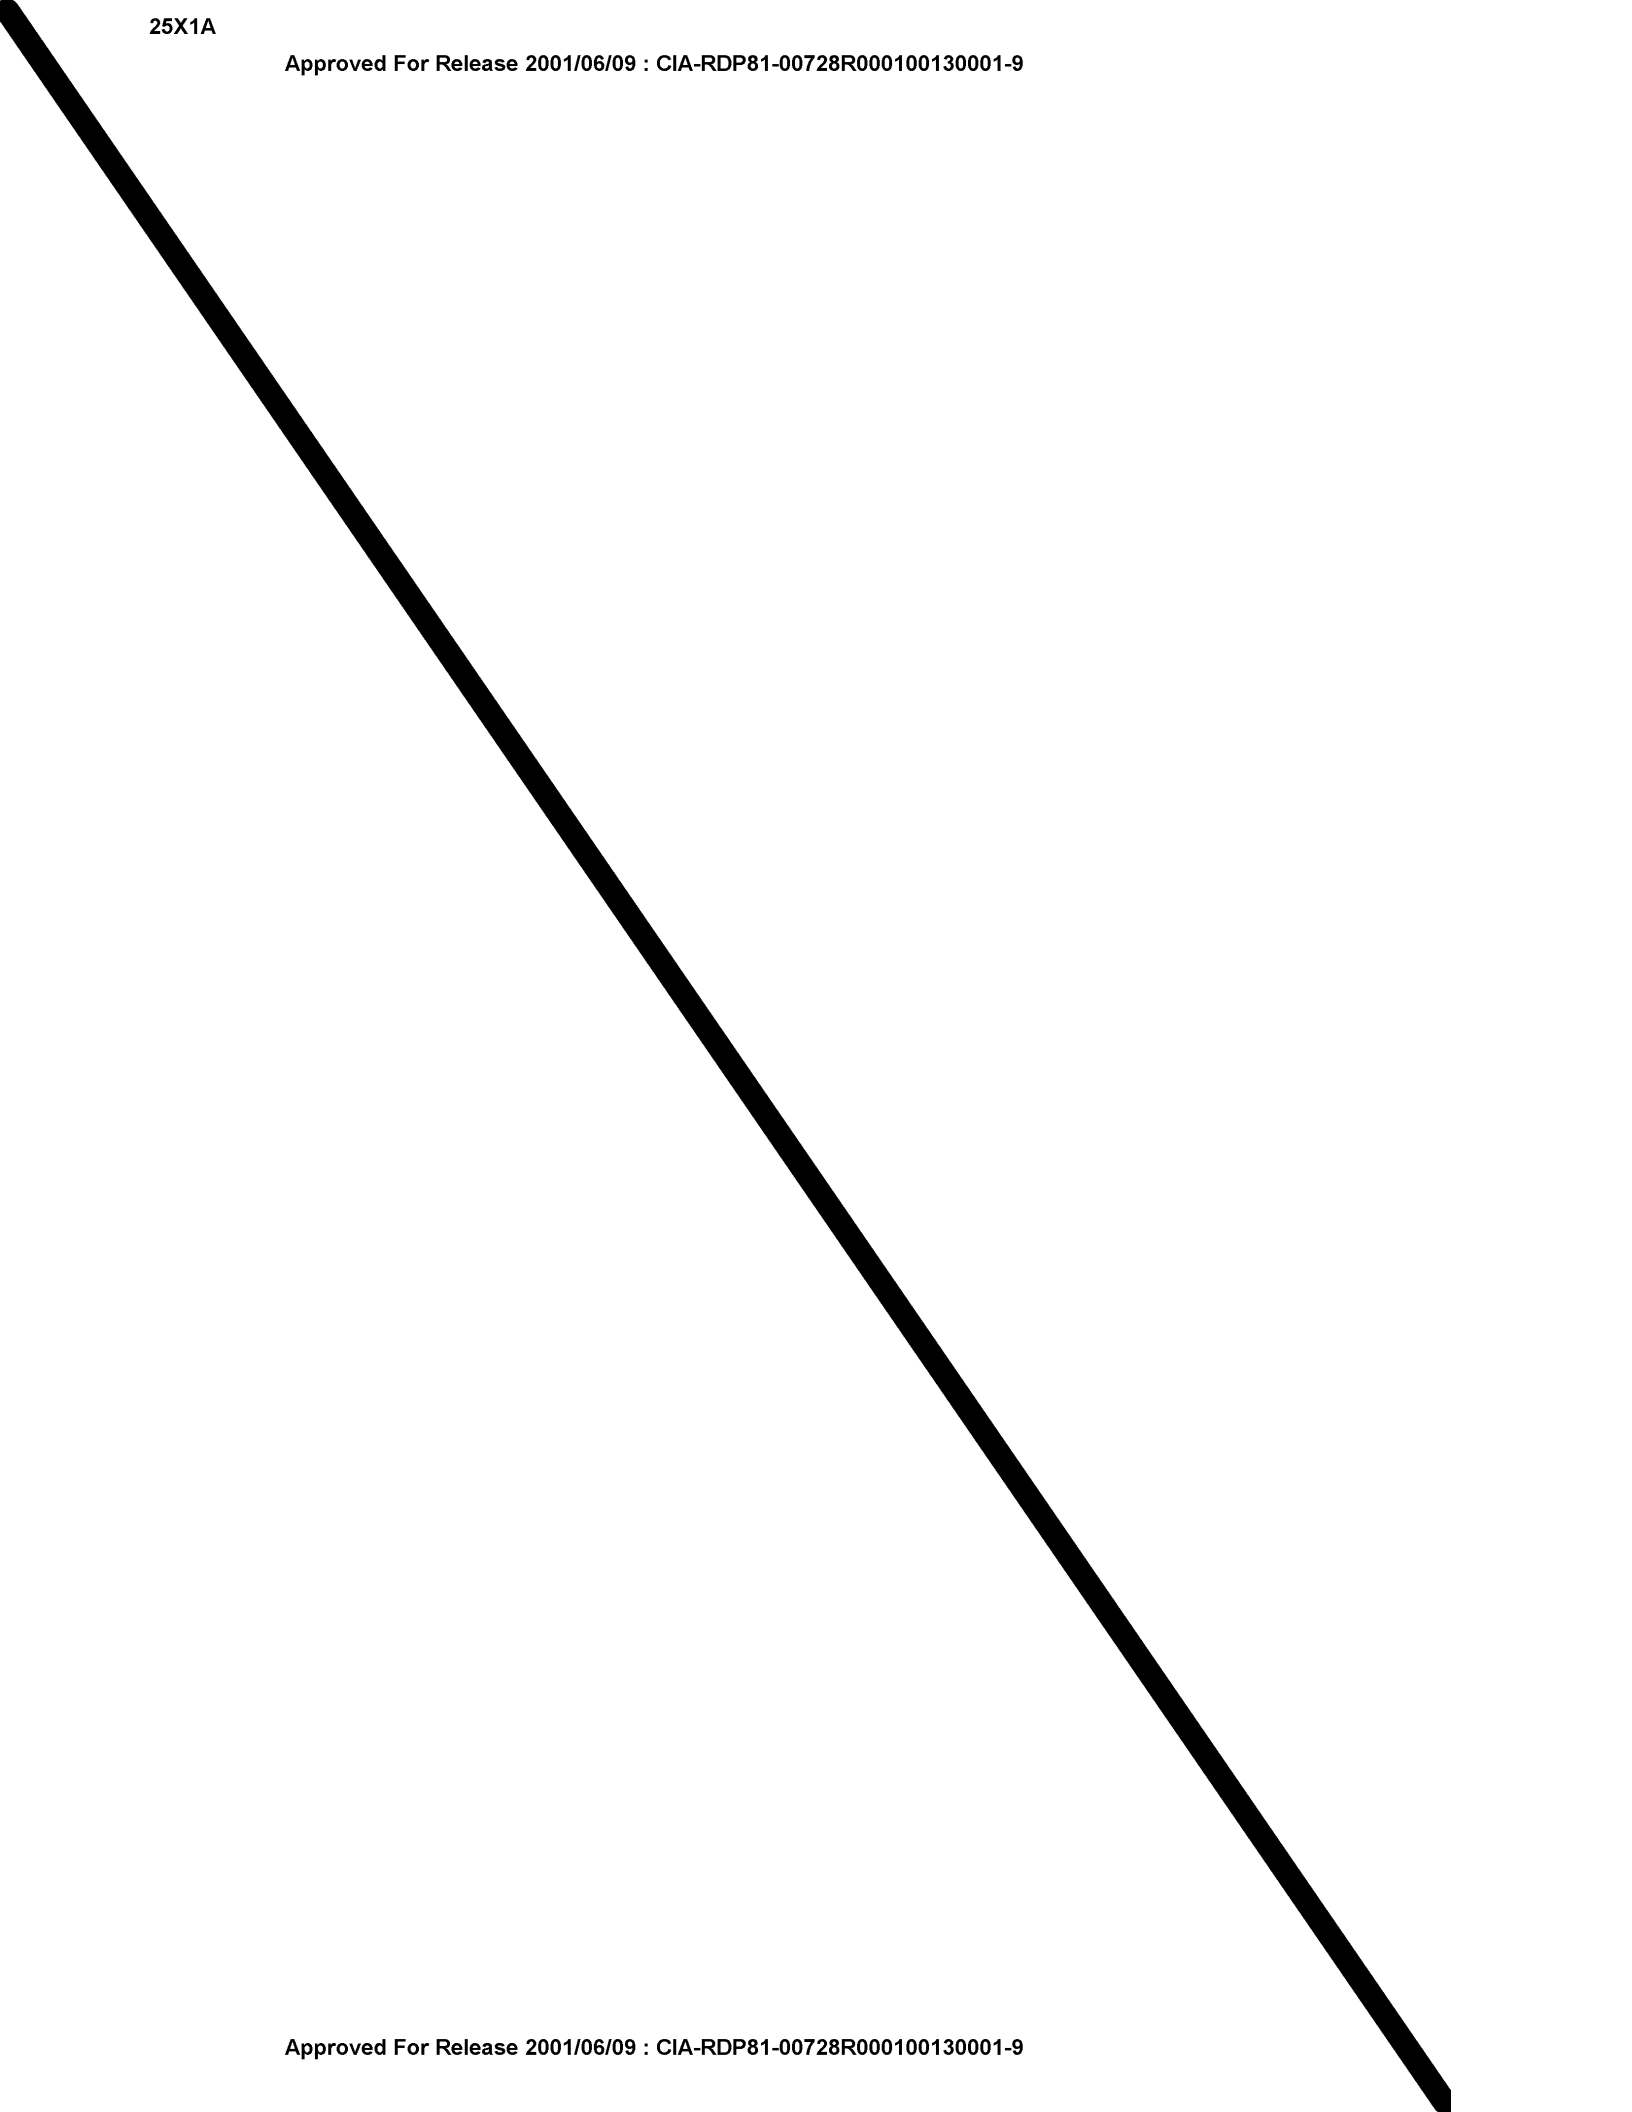

Para. 3 - It is not clear as to the difference between "new employees" and "employees presently on duty."

In view of the fact that the proposed form is a revised version of a present form, it should be coordinated with the Records Management Staff for the purpose of having it published and available when the Regulation is issued.

6 July 1956

MEMORANDUM FOR THE RECORD

25X1A SUBJECT : Regulations: Procedure for Processing Regulatory Material, Handbooks vs. Regulations, Proposed Civil Service Retirement Regulation, Proposed [REDACTED] "Insurance, Section I: Federal Employees' Group Life Insurance"

25X1A PARTICIPANTS: [REDACTED]

Procedure for Processing Regulatory Material

25X1A Mr. [REDACTED] referenced the memorandum dated 30 June 1956 to all DD/S Office Heads from Colonel White regarding Procedure for Processing Regulatory Material, pointing out that Mr. Lloyd would be the screening point for all proposed regulatory issuances. Mr. [REDACTED] 25X1A and Mr. [REDACTED] would be members of the working committee set up to review the proposed issuances.

Handbooks vs. Regulations

Discussion of contents of regulations which include detailed technical information of interest to small minority. Regulation [REDACTED] was defined 25X1A as restricting the contents of regulations to essential procedures, policies, and responsibilities, and incorporating all detailed technical information and procedures in handbooks.

Proposed Civil Service Retirement Issuance

It was agreed to publish a handbook incorporating all detailed technical information and procedures concerning retirement, and to develop a brief regulation which would include a statement to the effect that Agency employees are subject to the Civil Service Act, any exceptions, and perhaps a statement concerning responsibilities.

25X1A

Proposed [REDACTED] Insurance, Section I: Federal Employees' Group Life Insurance

It was also agreed to publish this information in handbook form.

14 September 1956

MEMORANDUM FOR THE RECORD

Sometime ago Mr. [REDACTED], Executive Officer, DD/P, requested Mr. [REDACTED] to give consideration to the establishment of a uniform set of standards as well as nomenclature in connection with Agency publications, regulations, etc. He had in mind such things as "What do we really mean by 'major component'" and "What do we mean by 'Operating Official'?"
